

Wake Up To Love

Debbie Gibson

We've been in love, boy can't you see it
When can I finally make you mine
I don't know why you don't even try
I got to know where to begin to start to love you

Wake up to love
Can it be any clearer
When will you see you belong to me

Don't fool around, it's not a laughing matter
You seem to make me laugh anyway
Right from the start we never were apart
It was always you and me together

You've got to wake up to love
Can it be any clearer
When will you see you belong to me
You've got to wake up to love
How come everybody sees it
When will you open up your eyes

There's still time so why don't you answer me
(answer me)
We've never said just how we feel
Why don't love hit you between the eyes
The way it's hit me so many times

Boy you've got to wake up to love
Can it be any clearer
When will you see you belong to me

You know that I love you and you love me
Why can't you be mine
Now I know why people say that love is blind
But it sure ain't easy

(Wake up to love)

(Wake up to love)
How come everybody sees it
When will you open up your eyes
You've got to wake up to love
Oh ho, can it be any clearer
When will you see you belong to me
