

# Hakuna Matata

Debby Ryan

When I was a cool young one  
(When she was a cool young one)  
I worked in the colony, paying my dues  
Accepting without questions the prevailing views  
That a young girl's life was one long grind  
Digging holes, standing guard till it crossed my mind

I was wrong, all along  
All that I needed was right here  
Hakuna Matata  
What a wonderful phrase  
Hakuna Matata  
Ain't no passing craze  
It means no worries  
For the rest of your days  
It's a problem free philosophy  
Hakuna Matata

When I was a shallow youth  
(When she was a shallow youth)  
Cool calm reflection, I was never that good  
I was a pawn in the game, I saw no trees for the wood  
My future stretched behind me, I was over the hill  
I put my best foot forward, but the other stood still

Take my word  
(Take her word)  
I have heard  
(She has heard)  
All that I needed was right here  
Hakuna Matata  
What a wonderful phrase  
Hakuna Matata  
Ain't no passing craze  
It means no worries  
For the rest of your days  
It's a problem free philosophy  
Hakuna Matata

Hakuna Matata  
I hope I have conveyed  
You don't have to burst you out of the sun  
It's much cooler in the shade  
Some say it's just a waste of time  
But they don't realize  
That the view is nothing but a crime  
We are creatures wordly wise

Hakuna Matata  
What a wonderful phrase  
Hakuna Matata  
Ain't no passing craze

For the rest of your days
