## Hakuna Matata

**Debby Ryan** 

When I was a cool young one (When she was a cool young one) I worked in the colony, paying my dues Accepting without questions the prevailing views That a young girl's life was one long grind Digging holes, standing guard till it crossed my mind

I was wrong, all along All that I needed was right here Hakuna Matata What a wonderful phrase Hakuna Matata Ain't no passing craze It means no worries For the rest of your days It's a problem free philosophy Hakuna Matata

When I was a shallow youth (When she was a shallow youth) Cool calm reflection, I was never that good I was a pawn in the game, I saw no trees forthe wood My future stretched behind me, I was ovet the hill I put my best foot forward, but the other stood still

Take my word (Take her word) I have heard (She has heard) All that I needed was right here Hakuna Matata What a wonderful phrase Hakuna Matata Ain't no passing craze It means no worries For the rest of your days It's a problem free philosophy Hakuna Matata

Hakuna Matata I hope I have conveyed You don't have to burst you out of the sun It's much cooler in the shade Some say it's just a waste od time But they don't realize That the view is nothing but a crime We are creatures wordly wise

Hakuna Matata What a wonderful phrase Hakuna Matata Ain't no passing craze It means no worries For the rest of your days It's a problem free philosophy Hakuna Matata What a wonderful phrase Hakuna Matata Ain't no passing craze It means no worries For the rest of your days It's a problem free philosophy Hakuna Matata
