Those Texas Guys

Debby Ryan

A cowboy hottie put a rope around my heart Everything was awesome at the start Then he kissed a bleach blonde waitress And I saw through his disguise Oh I've had enought to here with these texas guys

So now I'm here in NYC Gotta find a guy who's only in me The lonestar state in great But I said My goodbyes

Oh I've had it up with those texas guys Oh I've had it up with those texas guys
