

## 2 Good 2 Be True

Deborah Cox

It's obvious, that you got it goin on  
And I'm contemplating  
I'm curious, it you mean what you say when you say it  
And if you're serious about what you wanna do  
Cause I have to be honest with you  
I'm not into you  
Casanovas, telling me what I wanna hear  
Just so they can get over  
And after they get what they want, they're done  
But I been there and done that  
But you don't really seem like that  
You're just so cool, and it just seems

Too good to be true  
What you say what you do  
So I gotta be careful  
Don't wanna fall too soon  
And if I come across sometimes being rude  
It's nothing against you  
It just seems, too good to be true

I'd love for us to keep doing things together  
But I don't wanna rush the feeling (don't wanna rush the feelin  
g)  
We can take our time (our time)  
I really don't mind  
Besides I gotta know, what you waitin for  
Cause I don't need no  
Casanova, telling me what I wanna hear  
Just so you can get over  
And after you get what you want, you're done  
But I been there and done that  
But you don't really seem like that  
You're just so cool, and it just seems

Tell me if we stay together  
In a month will u break it off?  
I've seen it happen to so many others  
And I'd rather not  
Go through that heartache
