

Call Me

Deborah Cox

Someone who loves you
Wants to give you all you've been searching for
I've been here waiting
You don't have to look around anymore

Don't you know to you I'd give my all
I'll dry those tears when they fall
If you just ask me to
My best I'll do

Won't you call me boy whenever you need me
Don't be afraid to say what's on your mind
When you need those loving arms to hold you
Won't you call me I'll be there just to show you that I care

I know, I know it's not easy babe
When you've gotta carry the hurt inside
But you can depend on me
'Cause I'll always be there right by your side
You should know, that when it comes to my love
I'd gladly give, give it all to you
Just ask me to
I'm here for you

Don't you know
If you show me your emotions
I'll do the best I can to try to understand
So let go, you'll be safe with me
Don't be afraid now baby
'Cause I'll be right there for you
'Cause you know that you can trust me with your heart
