

# Never Gonna Break My Heart Again

Deborah Cox

You never knew how much you hurt me baby  
You never cared how much I cried  
Baby I gave my heart to you  
You just walked away  
Now you've come back and now you wanna stay

But you're never gonna make me cry again, again  
And your never gonna break my heart again  
Like you did, then  
No you're never gonna make me cry  
No you're never gonna break my heart again

What made you think that I'd forgive you baby?  
What made you think that I'd forget?  
Thought you could walk back in my world  
But I've closed the door  
I can't let you in, baby anymore

You've had your last one more chance  
There's no more for you baby  
So don't knock on my door  
You're not welcome no more
