## **Nobody's Supposed To Be Here**

## **Deborah Cox**

How did you get here? Nobodys supposed to be here I've tried that love thing for the last time My heart says no, no, nobodys supposed to be here but you came along and changed my mind

I've spent all my life on search to find the love who'll stay for eternity the heaven sent to fulfill my needs But when i turn around again love has knocked me down my heart got broken oh, it hurt so bad i'm sad to say "Love wins again"

So i placed my heart under lock and key to take some time and take care of me but i turn around an you re atanding here

How did you get here? Nobodys supposed to be here I've tried that love thing for the last time My heart says no, no, nobodys supposed to be here but you came along and changed my mind

This time i swear im though but if only you knew how many times i've said those words
Then fall again, when will i ever learn?
knowing these tears i cry this lovely black butterfly must take a chance and spread my wigs
love can myke you do some crazy things

so i placed my heart under lock and key to take some time and take care of me but i turn around and you re standing here

How did you get, how did you get here? nobodys supposed to be here Nobody, no, no, no, no, no, no, no, no

How did you get here? Nobodys supposed to be here I've tried that love thing for the last time My heart says no, no, nobodys supposed to be here but you came along and changed my mind

How did you get here? Nobodys supposed to be here I've tried that love thing for the last time My heart says no, no, nobodys supposed to be here but you came along and changed my mind
