

## What A Difference A Day Made

Deborah Cox

What a difference a day makes,  
Twenty-four little hours,  
Brought the sun and the flowers,  
Where their used to be rain.

My yesterday was blue dear,  
Today I'm a part of you dear,  
My lonely nights are through dear,  
Since you said "you are mine".

Oh, what a difference a day makes,  
Theirs a rainbow before me,  
Sky's above can't be stormy,  
Since that moment of bliss,  
That thrilling kiss.

It's heaven when you,  
Find romance on the menu,  
What a difference a day,  
And the difference is you.

Oh, what a difference a day makes,  
Theirs a rainbow before me,  
Sky's above can't be stormy,  
Since that moment of bliss,  
That thrilling kiss.

It's heaven when you,  
Find romance on the menu,  
What a difference a day made,  
And the difference is you.

The difference is you, oh.
