

## Where Do We Go From Here

Deborah Cox

When you're in love  
Some things you take for granted until someone  
Pulls it apart and leaves you with half of your heart  
How do I trade the best I have for less  
Without giving up  
Should I slowly accept that we'll be no more than just friends

How do I know  
When to let go?  
I know what I'm feeling inside  
But part of me still wants to try  
So tell me

Where do we go from here?  
Why's my heart filled with so much fear?  
When all that you are is all I need and more

There's no winning this  
The battle's just begun  
I know it's over, but I still feel the same  
You'll always remain number one  
'Cause letting go  
Warrants so much  
I know what I'm feeling inside  
But part of me still wants to try  
So tell me

Letting go, warrants so much  
I know what I'm feeling inside  
But part of me still wants to try
