

# Circles In The Sand

Galbraith, Declan

I know your backs against the wall  
Nothing is easy, the world is closing in  
But you won't let me fall, you keep on fightin', you don't give  
in  
One day I'll give to you, all that you deserve  
You are the sweetest thing, living on this Earth

If I am lost upon the ocean, you'll be my guiding star to lead  
me to dry land  
And on the beach we'll walk together drawing circles in the sand

In the name of love, now and forever, always there for me  
But when the time is right, you'll be the first one to set me free  
And when I spread my wings, you'll teach me how to fly  
Although your heart will break the day we say goodbye

If I am lost upon the ocean, you'll be my guiding star to lead  
me to dry land  
And on the beach we'll walk together drawing circles in the sand

God only knows where I am going  
What kind of man, I will become  
But when I stand alone, out there in the world, one thing  
I know will never change, I love you, and I will forever and a  
day

If I am lost upon the ocean, you'll be my guiding star to lead  
me to dry land  
And on the beach we'll walk together drawing circles in the sand
