

# I'd Love You To Want Me

Galbraith, Declan

When I saw you standing there  
I bout fell out of my chair  
And when you moved your mouth to speak  
I felt the blood go to my feet  
Now it took time for me to know  
what you tried so not to show  
Something in my soul just cries  
I see the want in your blue eyes

Baby I'd love you to want me  
The way that I want you  
The way that it should be  
Baby you'd love me to want you  
The way that I want to  
If you'd only let it be

You told yourself years ago  
you'd never let your feelings show  
The obligation that you made  
For the title that they gave  
Baby I'd love you to want me...  
The way that I want you  
The way that it should be  
Baby you'd love me to want you  
The way that I want to  
If you'd only let it be.

Now it took time for me to know  
what you tried so not to show  
Something in my soul just cries  
I see the want in your blue eyes.

Baby I'd love you to want me  
The way that I want you  
The way that it should be  
Baby you'd love me to want you  
The way that I want to  
If you'd only let it be.

Baby I'd love you to want me.  
The way that I want you  
The way that it should be  
Baby you'd love me to want you  
The way that I want to  
If you'd only let it be.
