

I'd Love You To Want Me

Galbraith, Declan

When I saw you standing there
I bout fell out of my chair
And when you moved your mouth to speak
I felt the blood go to my feet
Now it took time for me to know
what you tried so not to show
Something in my soul just cries
I see the want in your blue eyes

Baby I'd love you to want me
The way that I want you
The way that it should be
Baby you'd love me to want you
The way that I want to
If you'd only let it be

You told yourself years ago
you'd never let your feelings show
The obligation that you made
For the title that they gave
Baby I'd love you to want me...
The way that I want you
The way that it should be
Baby you'd love me to want you
The way that I want to
If you'd only let it be.

Now it took time for me to know
what you tried so not to show
Something in my soul just cries
I see the want in your blue eyes.

Baby I'd love you to want me
The way that I want you
The way that it should be
Baby you'd love me to want you
The way that I want to
If you'd only let it be.

Baby I'd love you to want me.
The way that I want you
The way that it should be
Baby you'd love me to want you
The way that I want to
If you'd only let it be.
