

I Think I Love You

Galbraith, Declan

I'm sleeping
And right in the middle of a good dream
like all at once I wake up
From something that keeps knocking at my brain
Before I go insane
I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread:
"I think I love you!" (I think I love you)

This morning, I woke up with this feeling
I didn't know how to deal with
and so I just decided to myself
I'd hide it to myself
and never talk about it
and didn't I go and shout it
when you walked into my room.
"I think I love you!" (I think I love you)

I think I love you
so what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for
I think I love you
isn't that what life is made of?
Though it worries me to say
I've never felt this way

Believe me
You really don't have to worry
I only want to make you happy
And if you say,
hey, go away, I will
But I think better still
I ought to stay around and love you
Do you think I have a case?
Let me ask you to your face:
Do you think you love me?
I think I love you!
