

Leavin' Today

Galbraith, Declan

I don't know the words that I have to say
Ma Mela je suis tres desole
Je pense que tu es atrayiant
I'll come to you par avion

I do not want to lose you
Je tu voudrais ici
And I want you
ma bell petit ami

Oh no you're leavin' today
But it won't be the end
For us now it is only the beginning

I don't know in French what I have to say
Please teach me and help me to find a way
I thank you that you chose me
And you can stay with me
And I want you ma bell petit ami
And I want you ma bell petit ami

Oh no you're leavin' today
But it won't be the end
For us now it is only the beginning
Love love love oh la la
And I say Love love love oh la la

Oh no you're leavin' today
But it won't be the end
For us now it is only the beginning
Love love love oh la la
And I say Love love love oh la la

Oh no you're leavin' today
But it won't be the end
only the beginning
I don't know in French what I have to say
