

Wonderwall

Galbraith, Declan

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow realized what you gotta do
I don't believe that anybody feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

cause maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Back beat the word is on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody feels
The way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

cause maybe
You're gonna be the one that saves me
Oh and after all
You're my wonderwall

So maybe
You're gonna be the one that saves me
Oh and after all
You're my wonderwall
