

## So in Love

Decyfer Down

I die a little every day  
I lose myself and that's ok  
Cause more of You is all that I can bear

But, I have days where I fall through  
I feel a million miles from You  
Conditions in my head, but You're still there

And I'm so in love with You

In my weakness You have been so strong  
Lord, Your love is strength all on its own  
And I'm so in love with You

I'm the man I've grown to be  
But You have so much more for me  
To live for You is to know just who I am

And I'm so in love with You

With the way You move, the God You are  
The only One to hold my heart  
Your love will never end  
Your love will never end  
You won't give up and won't let go  
I don't need another sign to show  
The cross is still enough

In my weakness You have been so strong  
Lord, Your love is strength all on its own  
And I'm so in love with You

Yes I'm so in love with You  
And I'm so in love with You
