

# Lonely Woman

Dee Dee Bridgewater

Need someone who'll  
Be a companion you see  
I'm just a lonely woman  
In search of company

I'm not the kind of  
Woman who's foot-loose and free  
I'm just a lonely woman  
In search of company

Won't the good Lord hear me?  
How I need him near me  
Life without him is  
So incomplete  
So I'm yearning to meet

That sweet, neat, off beat  
Man of my dreams, can't you see  
I'm just a lonely woman  
In search of company  
I'm so terribly blue

I'm so alone  
Where can he be?
