

# Trust Me

Dee Dee Ramone

She was meant to be my girlfriend  
I was broken hearted and hurtin'  
Then she was there  
And all the signals were flashin'  
I knew it right then  
She was gonna be my baby  
All the signs seem so right  
My heart was sparklin' like crazy

All I want is you  
You can trust me  
If you want to  
(3x)

And I can't help but love you so  
And I don't care what the neighbours say  
I just see 'em and I say hello  
Then I'm on my way  
'Cause baby I'm only human  
And I've been hurt, hurt alot  
So I'm holding on to this good thing  
With all I've got

All I want is you  
You can trust me  
If you want to  
(3x)

My baby must be a magician  
'Cause she sure has a magic touch  
I got so much lovin' that  
I might have a little too much

All I want is you  
You can trust me  
If you want to  
(4x)

You can trust me  
If you want to  
(2x)
