## Deeds of Flesh

Apostasy disbelief  
Pure desolation of humanity  
Demi-gods, the true monsters  
And their dreadful multitude of massacres  
Hypocrisy insufferable unmercy  
Deception insufferable inhumane  
Led to slavery and torture  
Appointing demi-gods intrepid tasks

Immolating on its flame  
Heathen martyrs burn away  
Burn away!  
Immolating on its flame  
Heathen martyrs cleansed by fire

The others soon faced  
Unspeakable horrors  
Incessantly tortured  
Hypocrisy  
Insufferable blasphemies  
A reign on monsters  
Worshipped blindly  
Christians obsession with demons  
Fostered what they tried to repress  
Apostasy disbelief  
Pure desolation of humanity  
Demi-gods the true monsters  
And their dreadful multitude of massacres
