

Seeing the growth of the youngest race  
And potency of it's virvum  
Strategic pod placement was induced  
At precise times  
To control reproduction  
From as early as recorded scriptures  
Pods were placed and watched  
Controlling future consequence  
Of rulers and nature  
Of war and disease  
Plaguing human outcome  
To fulfill their needs  
All engulf progression  
Until cranial accuration  
New advanced pods  
Holding cautious knowledge of  
Post alien weapons were placed on the Earth  
Mainly during most of the  
The century of the vital  
The most relevant being instilled acceleration  
Of nuclear technologies  
Arming humans to destroy their own kind  
During this century injecting deadly ideology plagues  
Plagues the Earth  
Driving many hungry for  
Worldly power and dominance  
Blind followers vote illogical politicians  
Despite obvious threats  
Their actions and policies  
End the once known strength of the planet  
Which held all into place  
All the Earths incapacitating  
Part of an  
Unearthly invent  
Planning, they're watching, patiently, they're waiting
