

Apple Juice Kissing

Deee-Lite

Kissin in the back row
That's how we missed the movie
Said you had cottonmouth
That apple juice was groovy
Splish smack on my lips
Apple juice kissin makes me roll my hips

Kissin in the doorway
No where else to play
Cottonmouth pillow lips
Better take a swig of this
Splish smack on my lips
Apple juice kissin makes me roll my hips
Easy to love
