

## Electric Shock

Deee-Lite

Feel the music  
Can you feel it  
Move your body  
Feel the music  
Yes you can feel it, feel it  
Move your body  
You're funky and you never stop  
It's like electric shock  
Criss cross circulation  
Throughout every nation  
Feel the music  
Can you feel it  
Move your body  
Feel the music  
Yes you can feel it, feel it  
Move your body  
Move your body  
Circulate...circulate  
Circulation  
All around  
All around the nation  
Running through  
Running through your body  
Mother Earth  
Mother Earth creation  
Can you feel it  
Electricity running through your body  
Can you feel it  
Electricity running through your body
