I believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
I believe in the power of love
Feel the power
Let the people call me naive
I believe I believe I believe
What is it that can make a lost soul found?
Love
And what is it that can make the coldest day seem warm?
And what is it that can bring a smile through to strangers?
Love love love
I believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
Let them call me naïve
But I still believe
What is it that can make a lost soul found?
And what is it that can make the coldest day seem warm?
And what is it that can bring a smile through to strangers?
Give it everything
Cause what you give you get so give it everything
Open your heart
I believe I believe
Power of power of love
```
