

## Rubber Lover

Deee-Lite

Rubber lover  
Say rubber  
Rubber lover  
Don't go to bed mad at your lover  
You'll wind up pulling the covers from each other  
Don't make love without wearing a rubber  
They might have slept with another  
Rubber lover  
Rubber lover  
Just have a good time  
Just have a good time  
Don't be rushin' when you're pushin' for your lovin'  
Take your time when you do the natural thing  
So divine to feel the passion in this fashion  
Put your brain before your ding-a-ling  
Just have a good time  
Just have a good time
