

## Becoming Light

Deep Blue Something

Serenity;  
The Heavenly sentence.  
Cover me, consider me  
- Blind.  
Quietly, patiently  
To be free.  
We all must serve the time

And we will never give up  
Because now is the time  
And we forever believe  
Let the life become the light.

Discontent is heaven sent  
- Maybe.  
Violence, malevolence  
To find the end  
We have to get in line

The Zelem and Ochema  
Are purity.  
After all we never quite die  
Seems to me the worrying's not what you get  
But what you leave behind.
