

## So Precious

## Deep Blue Something

Mi hijo,  
I know she make you psycho  
Add to that, my son,  
We all believe - she's freaky freaky

Out of the mouth of a child:

I am alive  
I live my life only to ask  
And be denied.

Siam Sam

Loved the coffee shops in Amsterdam  
He say, "You look funny, man"  
I say, "That's my plan. I'm freak freak."

Out of the mouth of a child:

I am alive  
I live my life only to ask  
And be denied.

I am alive  
I live my life only to ask  
And be denied.
