

# Tonight

## Deep Blue Something

What was the point today  
It didn't seem to have one  
And I could wear anything  
And I could be anything

Tonight I don't wanna feel wonderful  
Tonight I don't wanna fell bad  
Cause tonight will be the night of my dreams  
Tonight I won't feel anything

And think the things we did  
Took no time at all  
Everything we ever did  
Feels like a miracle

Tonight I don't wanna feel wonderful  
Tonight I don't wanna fell bad  
Cause tonight will be the night of my dreams  
Tonight I won't feel anything

Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaa  
Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaa  
Naaaaaaaa Na Na Na Na Na Naaa  
Tonight I don't feel anything

Tonight I don't wanna feel wonderful  
Tonight I don't wanna fell bad  
Cause tonight will be the night of my dreams  
Tonight I won't feel anything

Tonight I don't wanna feel wonderful  
Tonight I don't wanna fell bad  
Cause tonight will be the night of my dreams  
Tonight I won't feel anything

Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaa  
Naaaaaaaaaaaaaaaa Na Na Naaaaaaaaaa  
Naaaaaaa Na Na Na Na Na Naaaaaaa  
Tonight I don't feel anything
