

In Love With A Friend

Deep Dish

I'm in love with a friend
Going on a week
I'm in love with a friend
I can hardly speak

I can read between the lines
And I can read between the sheets
In my passion you will find
My face is red as beet, 'cause

I'm in love with a friend
I don't know what to do
I'm in love with a friend
And that friend is you

Be surprised by my remark
For they surprised me too
If I weren't shooting in the dark
I'd be as confused as you
But I'm in love

All that you've told me
All that we've been through
If we end up together
What would my friends say to you?

I'm in love with a friend
I don't know what to do
I'm in love with a friend
And that friend is you

Be surprised by my remark
For they surprised me too
If I weren't shooting in the dark
I'd be as confused as you
But I'm in love
