

Sacramento

Deep Dish

I can't help but feeling that love is always dealing me a losing hand
California's sleeping and you've got me weeping
I am just a man
I'm just a man
I'm just a man

Standing at the airport she is just a cohort coffee in her hand

Sacramento's breathing and I can't help believing you don't understand
Don't understand
I'm just a man
Don't understand
I'm just a man

California's sleeping and you've got me weeping
I am just a man
I can't help but feeling that love is always dealing me a losing hand
My losing hand
I'm just a man

Standing at the airport she is just a cohort coffee in her hand

Sacramento's breathing and I can't help believing conscious of my losing hand
My losing hand
My losing hand
Don't Understand
My losing hand
Don't Understand

California's sleeping and you've got me weeping
I am just a man
I can't help but feeling that love is always dealing me a losing hand
My losing hand
My losing hand
Don't understand
My losing hand
Don't understand
My losing hand
Don't understand
Don't understand
Don't understand
