

Wait a minute, wake up  
I am here  
I closed my eyes to realize how far I've come  
You can't feel, you can't see me

Wait a minute, wake up  
I am here  
I'm running out of options  
How to present my thought's, my feelings  
Without igniting you  
Would you smile if I closed my mind  
Never question your integrity  
No, I'm not criticizing you  
You can't see, you can't hear me

Wait a minute, wake up  
I am here  
Breathing
