

New Day

Deep Insight

It's a new day till the dawn

In your eyes I'm nothing but a lost cause
It hurts and I can't walk on
Astray inside
everything that I hide
And I can't find my way back home
When it's time to count the costs
I am so lost
And I can't make my way back home

I don't know how I'd make it
but I'm not gonna waste this
It's a new day
It's a new day till the dawn
I don't know how to say this
But I'm not gonna fall for you
It's a new day till the dawn

On my own
I need to be brave now
In your eyes, heroes never die
Day by day, I'm living for tomorrow
Do you like to see me this way
When it's time to count the costs
I am so lost
When I can't make it go

I don't know how I'd make it
but I'm not gonna waste this
It's a new day
It's a new day till the dawn
I don't know how to say this
But I'm not gonna fall for you
It's a new day till the dawn

It's a new day
It's a new day till
It's a new day till the dawn
I didn't know how to make it
I'm not gonna waste this
Its a new day
It's a new day till the dawn
I don't know how to say this
but I'm not gonna fall for you
I don't know how to make it
About another wasted
It's a new day
It's a new day till the dawn
