Deep Insight

It's hard to start something new
You made up your mind but still never knew
I'm not the judge or the referee
I don't know what's the truth
I'm here just for the debate
And that's one thing about me I hate

Lose the side kick and choose for yourself
At the end of the day you can sing
I did it my way
And I am proud of it all

What if I'm wrong? What's there to lose?
I don't care whether you win or lose
I'm not the judge or the referee
I don't know what's the truth
I'm here just for the debate
And that's one thing about me I hate to love

You can't really win a fight without
Putting yourself on the line
