

# All the Time in the World

Deep Purple

There's still a long way to go  
And the nights are closing in  
But if I'd travelled any faster babe  
Lord knows where I might have been

Right from those early days  
I put my faith in the axle not the wheels  
Like old Zeno's toytus  
with Achilles snapping at my heels

Don't worry  
There's no hurry  
Here we are  
With all the time in the world

I could have been a high-flying dealer  
But I have no desire for speed  
I could have been a wild receiver  
But I've got everything I need

And so I watch the world  
Go racing by tearing up the street  
I lay back in the long grass  
Take it easy and rest my feet

Don't worry  
You know, there's no hurry  
Here we are  
With all the time in the world

No-one ever held me back  
You know that no-one ever put me in chains  
No-one ever saw me racing ahead  
No-one had to tug on my reins

As everybody knows  
I may be slow but I never quit  
Sometimes on a good day I sit and think  
Sometimes I just sit

Don't worry  
Relax, there's no hurry  
Here we are  
With all the time in the world
