

# Hey Bop A Re Bop

Deep Purple

No, no, no Gloria  
Oh try and help me, Gloria  
Standing at the station  
Waiting for you Gloria

Oh standing at the station  
I've been waiting there for you Gloria  
Oh I've been waiting, I've been waiting there for you Gloria  
I've been waiting, waiting for you Gloria

No, long day is dying  
Long day is dying, Gloria  
Long day is dying  
Long day is dying, Gloria  
Don't you know I'm standing at the station  
Waiting for you Gloria
