

It'll Be Me

Deep Purple

Well, if you hear somebody knockin' on your door
If you see something crawlin' across the floor
Baby, it'll be me, and I'll be lookin' for you

If you see a head a-peepin' from a crawdad hole
If you see somebody climbin' up a telephone pole
Baby, it'll be me, and I'll be lookin' for you

Gonna look on the mountain and in the deep blue sea
Gonna search all the forests and look and look in every tree

Well, if you feel somethin' heavy on your fishing hook
If you see a funny face in your comic book
Baby, it'll be me, and I'll be lookin' for you

If you hear a thought a-callin' out in the night
If you see somebody hangin' from a lamppost bright
Baby, it'll be me, and I'll be lookin' for you

If you see somebody lookin' in all the cars
If you see a rocketship on its way to Mars
Baby, it'll be me, and I'll be lookin' for you

Gonna look in the city where the lights are blue
Gonna search the countryside, all the haystacks, too

If you see a new face on a totem pole
If you find a lump in your sugar bowl
Baby, it'll be me, and I'll be lookin' for you.
