## It'll Be Me

## **Deep Purple**

Well, if you hear somebody knockin' on your door If you see something crawlin' across the floor Baby, it'll be me, and I'll be lookin' for you

If you see a head a-peepin' from a crawdad hole If you see somebody climbin' up a telephone pole Baby, it'll be me, and I'll be lookin' for you

Gonna look on the mountain and in the deep blue sea Gonna search all the forests and look and look in every tree

Well, if you feel somethin' heavy on your fishing hook If you see a funny face in your comic book Baby, it'll be me, and I'll be lookin' for you

If you hear a thought a-callin' out in the night If you see somebody hangin' from a lamppost bright Baby, it'll be me, and I'll be lookin' for you

If you see somebody lookin' in all the cars If you see a rocketship on its way to Mars Baby, it'll be me, and I'll be lookin' for you

Gonna look in the city where the lights are blue Gonna search the countryside, all the haystacks, too

If you see a new face on a totem pole If you find a lump in your sugar bowl Baby, it'll be me, and I'll be lookin' for you.
