

# She Was

Deep Purple

She was, she was  
She was all that she said she was  
She was all that she said she was

I couldn't want for more but all I want is more  
I just want her more and more and more and more and more  
But she's untouchable  
And I lay my head down, I lay my head down  
And then she's lovable

Who were you with last night?  
Who were you with last night?  
Were you thinking of me?  
And where you thinking of me?  
Unforgivable sin, unforgivable sin, unforgivable  
You're untouchable  
And I lay my head down, I lay my head down

She coming my way, she coming my way  
I don't know what to say, she coming my way  
She fading away, she fading away  
And I lay my head down, I lay my head down
