

## The Painter

Deep Purple

Painter  
Come colour up my life  
Oh painter  
Come colour up my life  
Take away the misery  
Take away the strife

Writer  
Make me up a play  
Writer  
Make the meaning gay  
(For I don't know who I am)  
Just give me words to say

Singer  
Let me sing a song  
Singer  
Let me sing a song  
You don't have to worry  
Cause singer you can sing along
