

Main Street

Deer Tick

I can't sleep, I can't close my eyes
Blinked one second, the whole world pass you by
Yeah, I guess I'm in
All the days you spent

I can't eat, I can't use my mouth
Miss one day and the whole world cast you out
Yeah I guess I try
All the times a lie

Of goodbye times, you ain't on my side
Satisfaction, too much of mine
Song goes here, never let me down
Oh the main street seems so lonely now

I can't hear, I can't use my ears
Miss one speech and you're uninformed to tears
Yeah I guess I'm scared
Every time I care

I can't breathe, I can't use my nose
Miss one night from the stomped on bag of blow
Yeah I guess I'm wrong
I can't sing a song

Of goodbye times, you ain't on my side
Satisfaction, I go way too much of mine
Song goes here, never let me down
But the main street seems so lonely now

I can't write, I can't bleed my soul
Loose one friend and you whole might find its whole
Yeah I guess you're strong
But I won't let it show
Speak to me again,
And I have never have felt it, before.
