

## Living My Life

Deerhunter

I'm living my life, I'm living my life  
I'm living my life, I'm living my life  
I'm living my life, I'm living my life  
I'm living my life, I'm living my life

I'm off the grid, I'm out of range  
And the amber waves of grain are turning grey again  
The darkened stage and the infinite waves  
Distance can change fate, I'm out of range again

And I'm living my life, I'm living my life

Will you tell me when you find out how to conquer all this fear  
I've been spending too much time out on the fading frontier  
Will you tell me when you find out how to recover the lost years  
I've spent all of my time chasing a fading frontier

I'm living my life, I'm living my life  
I'm living my life, I'm living my life  
I'm off the grid (I'm living my life)  
I'm out of range (I'm living my life)  
And the amber waves of grain (I'm living my life)  
Are turning grey again (I'm living my life)  
The darkened stage (I'm living my life)  
And the infinite waves (I'm living my life)  
Distance can change fate (I'm living my life)  
It's happening again (I'm living my life)  
I'm living my life, I'm living my life  
I'm living my life, I'm living my life  
I'm living my life, I'm living my life  
I'm living my life, I'm living my life
