

## Never Stops

Deerhunter

I had dreams  
That frightened me awake  
I happened to escape  
But my escape

Would never come  
Would never come  
Would never come  
Would never come

I had plans  
To go away for days  
To try and risk a pace  
That haunts my days

That haunts my days  
Haunts my days  
Haunts my days  
Haunts my days

I love  
I love  
I love

Winter  
In my heart  
It never stops  
It never stops

Oh, winter  
Oh, winter  
Oh, winter  
Oh, winter

It never stops  
It never stops  
It never stops  
It never stops  
It never

I love  
I love  
I love
