

# Nothing Ever Happened

Deerhunter

Only when I dream but there's no way out  
You learn to talk, you learn to shout  
Focus on the depth that was never there  
Eliminate what you can't repair

Nothing ever happened to me  
Nothing ever happened to me  
Nothing ever happened to me  
Life just passed and flashed right through me

Sleep through the winter, awake in spring  
Adjust your eyes to the state of things  
Focus on the depth that was never there  
Nothing's easy, nothing's fair

Nothing ever happened to me  
Nothing ever happened to me  
Nothing ever happened to me  
Life just passed and flashed right through me

I never saw it coming  
Waiting for something, for nothing  
I never saw it coming  
Waiting for something, for nothing
