

Stay, I don't want you to stay
Stay, I need you to stay
Stay, I don't want you to stay
Stay, I need you to stay

In my room, oh, it's true

Stay, I don't want you to stay
Stay, I need you to stay
Stay, I don't want you to stay
Stay, I need you to stay

In my room, oh, it's true

Start over, start over
Start over, start over

Start over, start over
Start over, start over

Start over, start over
Start over, start over
