like your packing two kinds of genitals.

Go. This shit is getting tired. Fuck it's hard to let
it slide.
Your. Not even worth the scuffle. Self. Let it touch

Things burning out of control, the reapers here to take
your soul,
mentally vexed, cashing those checks.
Blood lusting, I demand my respect.

Go. This shit is getting tired. Fuck it's hard to let
it slide.
Your. Not even worth the scuffle. Self. Let it touch
the hustle.
