

# Like There's No Tomorrow

Deez Nuts

Tonight were gonna party like there's no tomorrow,  
Forget about our woes and drown our sorrows  
Don't forget about your boys when your tipping that bottle  
Drunk till fuckin death yeah thats our motto

This shit is more then it seems  
This shit is more then getting drunk in a club,  
This time i spend, with all of my friends  
This is the thing that i love,  
The most, a toast to every friend I've ever had.  
I love you all, and i hope you'll all be with me till the bitter fuckin end.

I love my dtd brothers and my edge motherfuckers.  
And if you got beef then bring the ruckas  
But tonight forget that shit, yeah forget everything,  
Skull whatever you drink, let me here you motherfuckers sing...

Tonight were gonna party like there's no tomorrow,  
Forget about our woes and drown our sorrows  
Don't forget about your boys when your tipping that bottle  
Drunk till fuckin death yeah thats our motto  
(2x)

Tonight theres no regrets about yesterday  
And tonight tomorrow seems like a lifetime away.  
We only care about now,  
Living in the moment, loving every hour  
I wish this shit would never end  
What could be better than good times & good friends.

I love my dtd brothers and my edge motherfuckers.  
And if you got beef then bring the ruckas  
But tonight forget that shit, yeah forget everything,  
Skull whatever you drink, let me hear you motherfuckers sing

TONIGHT WE'RE GONNA PARTY LIKE THERES NO TOMORROW!  
Forget about our woes and drown our sorrows  
Don't forget about your boys when your tipping that bottle  
Drunk till fuckin death yeah thats our motto

Tonight we're gonna party like there's no tomorrow  
Forget about our woes and drown our sorrows
