

# Not A Face In The Crowd

Deez Nuts

This goes out to the ones, who paved the way for us to  
live the life that we love.  
There's a place in my heart, for everyone of you that  
shows love and support  
Not a day I don't count my blessings, for that chance  
I've been given and I know who's  
Responsible everyone of you made us everything we are,  
and I know without you none  
Of this shits possible. No matter what the fuck life  
throws at us, when we take the  
Stage none of that shit matters. when we hear your  
voices when we feelin' that vibe,  
I know there's no place else I'd rather be or feel more  
alive.

Your not a face in the crowd you are a part of this.

You keep me young and motivated, innovative, sober or  
faded for you we create it  
I am a native anywhere my home you made it, I stay  
creative on a tear with this I state it  
If you care then I care cause you made it, possible for  
me to stay rejuvenated, invigorated  
Mind elevated feel loved not hated on stages where I  
demonstrate it.

Your not a face in the crowd you are a part of this.

This Mic, this stage, this time, this song is yours.  
Your not a face in the crowd you are a part of this.  
So now's the time to show us what you got.  
And let me see you throw your hands up if you believe  
this shit.
