

Party Song

Deez Nuts

All my fuckin' drunks, put your fuckin' drinks up
All you fuckin' weed heads blow that smoke in the air
All you fuckin' edge kids, let me see them x's
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
GO

I'm talking weekends, week days, any day of the week
Got friends, got liquor, fuck more do you need?
Tonight's the night, everybody's feeling alright
Liquor in my system got those bitches lookin' so tight
Oh my, feel them pre-drinks kickin' in
Better get on that tequila, wash it down with the gin
Or whatever you got a taste for
Do what the fuck you want to skull a bottle on the dance floor

And if you at a house party, drink the motherfucker dry
Party all night, till you see the daylight
And if you at a show, head walks, stage dives
Sing alongs till you can't feel your throat
And if you at a bar, keep the rounds comin'
Keep the shots pourin', till they kick you out the door
And if you at a club, and this song comes on
Sing the motherfuckin' words with every breath in your lungs

You work hard for the money, and now's the time to blow it
So get this party goin'

All my fuckin' drunks, put your fuckin' drinks up
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
All my fuckin' weed heads blow that smoke in the air
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
All you fuckin' edge kids, let me see them x's
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
Fellas grab a lady, ladies grab a fella, tell em
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH

This shit goes out to everybody that's livin' it up
Tonight's your night, damn right, yeah who gives a fuck
Bout what another motherfucker thinks
This for you and your boys and whatever your poison

And if you at a house party, drink the motherfucker dry
Party all night, till you see the daylight
And if you at a show, head walks, stage dives
Sing alongs till you can't feel your throat
And if you at a bar, keep the rounds comin'
Keep the shots pourin', till they kick you out the door
And if you at a club, and this song comes on
Sing the motherfuckin' words with every breath in your lungs

You work hard for the money, and now's the time to blow it
So get this party goin'

All my fuckin' drunks, put your fuckin' drinks up
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
All my fuckin' weed heads blow that smoke in the air
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
All you fuckin' edge kids, let me see them x's
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH
Fellas grab a lady, ladies grab a fella, tell em
THERE'S A PARTY IN THIS BITCH
THERE'S A PARTY IN THIS BITCH

Yeah, you know what the fuck I'm talkin' about
I want every one of you motherfuckers to do what it is that you do to have a
good time
Cause, shit, at the end of the day, all we wanna do is

PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
AND ALL WE WANNA DO IS
PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
AND ALL WE WANNA DO IS
PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
AND BULLSHIT
AND PARTY
