

# Broke 'N' Brokenhearted

Def Leppard

I'm not well I'm mad as hell  
Come over here I'll ring your bell  
You've got no class you're so crass  
Get over here I'll kick your ass  
You're obsolete you're incomplete  
And the word out on the street  
Is you're unclean you're so obscene  
So come on and tell me where  
You've been

You got me broke 'n' brokenhearted  
You took me and you shook me cold  
Broke 'n' brokenhearted  
It's a bitter sweet emotion  
'cos you stole my soul

You ain't flash you're talkin' trash  
And you hit me like  
A caffeine crash  
There ain't no doubt  
You've been found out  
So come on tell me  
What it's all about

You mess with my emotions  
'cos you got no soul

Who's been sleepin' in my bed  
I'll huff and I'll puff and I'll  
Blow your playhouse down  
Put your money where your  
Mouth is and let it blow  
'cos this is my town
