

Gods of War

Def Leppard

Feelin' like it's all over, feelin' like there's no love
Feelin' like it's not easy, breathin' life in the dust
On a countdown to zero take a ride on the nightmare machine

There ain't gonna be heroes
There ain't gonna be anything
Oh
Here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night

When we all fall down
When we walk into silence
When we shadow the sun
When we surrender to violence
Oh
Then the damage is done
Put away that gun!

I don't wanna be there
I don't wanna be anywhere
Oh!

[Repeat Bridge]

That's right!
We're fightin' for the gods of war but what the hell we fightin' for?
We're fightin' with the gods of war but I'm a rebel

[guitar solo]

And I ain't gonna fight no more no way!
On a countdown to zero
Take a ride on the nightmare machine
There ain't gonna be heroes
(Whoa)
There ain't gonna be anything
No!

[Repeat Bridge]

Don't ya know that's right!

[Repeat Chorus]

And (a) I ain't gonna fight no more

(Stop)
Stop fightin' for the gods of war
(Stop fightin' for the gods of war)
Yeah what the hell we fightin' for?
(What in the hell we fightin' for?)
We're fightin' with the gods of war
Heavy!
